

Checking Order Status

To check the status of your po go to the Taylor Valve website at taylorvalve.com. In the top right corner you will see Order Status.

| | | | |
|-------------------------------------|-------------------------------------|-------------------------------------|-------------------------------------|
| Customer # | | Customer PO # | |
| <input type="text" value="Search"/> | <input type="text" value="Search"/> | <input type="text" value="Search"/> | <input type="text" value="Search"/> |

| Customer # | Customer PO | Order ID | Line # | Part # | Shipping Cost | Order Date | Due Date | Ship Date | Ordered Qty | Shipped Qty | Order Progress Status | Tracking # | Status |
|------------|-------------|----------|--------|--------|---------------|------------|----------|-----------|-------------|-------------|-----------------------|------------|----------------|
| | | | | | | | | | | | | | Status Order I |
| | | | | | | | | | | | | | Status Sales C |

After you click on the order status you will need to enter your Customer ID number then hit search. Then enter your PO number then search. (The po number will need to be entered as it is on your po.)

If you do not have your Customer ID number contact your Inside Sales Customer Service Representative to get it.

| | | | |
|-------------------------------------|-------------------------------------|-------------------------------------|-------------------------------------|
| Customer # | | Customer PO # | |
| <input type="text" value="Search"/> | <input type="text" value="Search"/> | <input type="text" value="Search"/> | <input type="text" value="Search"/> |

| Customer # | Customer PO | Order ID | Line # | Part # | Shipping Cost | Order Date | Due Date | Ship Date | Ordered Qty | Shipped Qty | Order Progress Status | Tracking # | Status |
|---|-------------|----------|--------|--------|---------------|------------|----------|-----------|-------------|-------------|-----------------------|------------|--------|
| Please enter a valid Customer # AND Customer PO # to view a specific order status. | | | | | | | | | | | | | |

After you enter your customer ID number and your po number you can see the status of where your order is in the process. On the right see the list of status.
